

2023 THE KING'S PROJECT

Pop Show & Gospel

Audition Results

It's finally here! The King's Project 2023 is just around the corner, and we're expecting that the Lord will do wonderful things in UK. Though music and dancing are a huge (and fun!) part of the work we'll be doing, this summer, it's a means to accomplish something much greater—the sharing of the Gospel! As we rehearse, let's be sure to keep this in mind! Remember, everyone who auditioned for a dance part will receive a part, but due to the large size of our group, not everyone will receive a vocal part. Thank you all for your patience, and happy dancing, y'all!

*Please be sure to read this document in its entirety, as you may be in more than one cast. Due to limited rehearsals and dance partnering, you are only allowed **ONE** absence. Please check your calendar thoroughly and email studentworship@prestonwood.org no later than Friday, June 2, if you cannot meet the attendance requirements. Don't forget that choir rehearsals and family group meetings are also required, and you must also abide by those attendance requirements (2 skips), as well.*

Church Attendance

With leadership opportunities come leadership responsibilities. Though we want you to grow in your musical ability, we want so much more than just musical growth for you! Our ultimate goal is that you would grow in your discipleship with Christ. Church membership is vital for your spiritual health, and we ask that you remain active in church.
